PACKAGE 1 - ORIGAMI CLOSE-UP INTERACTIVE ENTERTAINMENT

Michael Roy performs paper folding close-up; mingling and interacting with event guests in small clusters, one-on-one, table-side, and/or at his *MicRo Gallery* *. The guests keep the pieces Michael Roy creates.

* His *MicRo Gallery* (self-standing 'pop-up' display of Origami Sculptures) is an attraction in itself, as well as inspiration for, and suggestions of what folded art keepsakes Michael Roy can create for guests (animals, flowers, sea creatures, birds, etc). He can entertain at the *MicRo Gallery* and/or stroll throughout, based on crowd flow or client preference.
